Because a Child Always Remembers their First Bike

November 22, 2023

Dear Community Supporter:

For over ten consecutive years we have been blessed by the support we have received from our community in our annual Children's Christmas Bicycle Fundraising drive. Over 1200 bicycles have been given during this Christmas season to Imperial Valley needy children. Last year we were able to deliver over 127 bicycles and helmets to children throughout our Imperial Valley during the pandemic. Children are pre-selected through various agencies: The Imperial County Sheriff Organization selects children from our unincorporated areas, the Brawley Police Department chooses children from families they have come across throughout the year, Imperial County Social Services selects various foster children and the remaining bicycles going to C.H.A.R.L.E.E a foster children advocacy group.

The smile on the children's faces as they push and pedal away on their very own brand new bicycle is a heartwarming gift. It is our hope to keep giving needy children in our valley the memory of their first bicycle.

Las Chabelas Restaurant and the Brawley Elks Lodge #1420 are asking local businesses and community members to join us in our bicycle drive by donating a new bicycle. If you prefer to give a monetary donation, this also would be gladly appreciated. All donations will be used to purchase new bicycles and helmets. Our target age for the boys and girls is 7 to 11 years of age which are the 16", 18" and 20" bicycles.

We will also be holding our traditional Tri-tip fundraiser on Sunday, December 10 to raise funds to purchase additional bicycles and helmets. This will be held at Las Chabelas Restaurant from 11:00 a.m. to 2:00 p.m. All donations over \$100 will include two tri-tip tickets for this event.

Please return the enclosed form to us. All donations will be recognized at the entrance wall at Las Chabelas Restaurant as well in our social media platforms.

Feel free to contact us with any questions: Carlos 760-427-7580 or Abraham 760-562-3018.

Thank You,

Carlos Weir
